### **Opinion**

We have audited the accompanying financial statements of One Eleuthera Foundation ("the Foundation"), which comprise the statement of financial position as at 30 June 2024, and the statements of income and accumulated funds and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Foundation as at 30 June 2024 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards for Small and Medium-sized Entities ("IFRS for SMEs").

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing ("ISAs"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* ("IESBA Code"), and we have fulfilled our other responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS for SMEs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

To the Members of  
**ONE ELEUTHERA FOUNDATION**

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

To the Members of  
**ONE ELEUTHERA FOUNDATION**

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

# ONE ELEUTHERA FOUNDATION

Notes to Financial Statements

## 1. GENERAL INFORMATION AND NATURE OF OPERATIONS

One Eleuthera Foundation (“the Foundation”), was incorporated on 14 March 2012 under the Companies Act 1992, of the Commonwealth of The Bahamas as a company limited by guarantee. Therefore, the Foundation has no authorized capital but is limited by guarantee whereby each Member has agreed that in the event of the Foundation’s winding-up, and its liabilities exceed its assets, to contribute up to fifteen dollars (B\$15.00) each. At 30 June 2024, the Foundation had 27 members (2023: 25).

The Foundation is a non-profit community development company whose guiding principles are captured in the document called A Shared Vision. A Shared Vision established five foundational program areas through which the Foundation now streams its work, and they are as follows:

- Economy - The Foundation believes that Eleutherans should own and benefit the most from their ECONOMY and sponsors a variety of programs designed to accomplish this goal.
- Education - The Foundation believes that EDUCATION is key to Eleuthera’s future success and offers and supports a variety of programs designed to give persons the skills and knowledge they need to thrive.
- Environment - The Foundation believes that the protection of the ENVIRONMENT and its natural resources must be a high priority and promotes a variety of programs focused on conservation and sustainability.
- Health - The Foundation believes that the HEALTH and well-being of Eleutherans are essential and offers and supports a variety of programs to promote healthy living.
- Heritage - The Foundation believes in preserving Bahamian HERITAGE AND CULTURE and supports a number of efforts so that it can be celebrated by residents and guests for years to come.

These five foundational program areas are collectively referred to as the Foundation’s social purpose activities.

The Foundation is also registered under the Non-Profit Organizations Act, 2019.

The registered office of the Foundation is located at 3 Bayside Executive Park, West Bay Street and Blake Road, P.O. Box N-4875 Nassau, The Bahamas. The business office is located at Mingo Drive and Queen’s Highway, Rock Sound, Eleuthera.

## 2. STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS AND GOING CONCERN ASSUMPTION

The Foundation’s financial statements are prepared in accordance with International Financial Reporting Standard for Small and Medium-sized Entities (“IFRS for SMEs”), as issued by the International Accounting Standards Board (“IASB”), and prepared under the historical cost convention and are presented in Bahamian dollars, the Foundation’s functional currency.

The Board of Directors determined that IFRS for SMEs is the appropriate financial reporting standard rather than full IFRS because the Foundation’s activities are fairly simple and limited in scope and do not encompass the wide array of business activities that is contemplated by full IFRS.

The Foundation has prepared the financial statements on the basis that it will continue to operate as a going concern.

## 3. NEW AND REVISED STANDARDS OR INTERPRETATIONS

### **New and revised standards that are effective for annual periods beginning on or after 1 July 2023**

The Foundation has adopted the following new amendment to IFRS for SMEs issued by the IASB, which is relevant to and effective for the Foundation's financial statements for the annual period beginning 1 July 2023:

- International Tax Reform - Pillar Two Model Rules - Amendments to the IFRS for SMEs Standard

This amendment does not have a significant impact on these financial statements of the Foundation, therefore disclosures have not been made.

### **Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Foundation**

The IASB has not made amendments to the IFRS for SMEs which are not yet effective.

## 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Overall considerations**

These financial statements are prepared in accordance with the IFRS for SMEs issued by the IASB. Summary of principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented unless otherwise stated.

### **Management's use of judgments and estimates**

The Foundation uses accounting estimates and assumptions in the preparation of these combined financial statements. Although these estimates are based on management's best knowledge of current events and transactions, actual results may ultimately differ from those estimates. The effect of any changes in estimates will be recorded in the Foundation's financial statements when determinable.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The following presents a summary of these significant estimates and judgments:

### **Estimates**

#### ***Estimation of useful lives of equipment***

The useful lives of equipment are estimated based on the period over which these assets are expected to be available for use.

## 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### Cash and cash equivalents

Cash and cash equivalents are comprised of depository accounts with banks, other financial institutions and cash on hand which are subject to an insignificant risk of change in value.

### Accounts receivable and other assets

Account receivables and other assets are recognized initially at the transaction price. They are subsequently measured at amortized cost using the effective interest method, less provision for doubtful debts. A provision for doubtful debts is established when there is objective evidence that the Foundation will not be able to collect all amounts due according to the original terms of the financial asset.

### Impairment of financial assets

An assessment is made at each reporting date to determine whether there is any indication of impairment of any assets. If any such indication exists, the asset's recoverable amount is estimated. An asset's recoverable amount is computed as the higher of the asset's value in use or its net selling price. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows.

### Property and equipment, net

Property and equipment, which includes motor vehicles and computer equipment are initially recognized at cost, less depreciation in the statement of financial position. Cost includes the value of consideration exchanged. The cost of self-constructed assets includes the cost of material and direct labor, and any other cost directly attributed to bringing the asset to a working condition for its intended use. All other subsequent expenditures are expensed in the year in which they are incurred.

Where an item of property and equipment is acquired in exchange for a non-monetary asset or monetary assets, or a combination of monetary and non-monetary assets, the asset acquired is initially measured at fair value (the cost). If the acquired item's fair value is not determinable, its deemed cost is the carrying amount of the asset(s) given up.

When significant components of an item of property and equipment have different useful lives, they are accounted for as separate items (major components) of property and equipment.

Repair costs for property and equipment will be subject to capitalization when the repair extends the useful life of the related asset. The cost is recorded as an increase to the appropriate asset account.

The Foundation capitalizes all expenditure on property and equipment with a cost greater than or equal to \$2,500 and a useful life of at least three (3) years. When an asset is purchased through a grant, the grant's capitalization rules may apply. The Foundation will conduct a regular inventory of its property and equipment and maintain a central list that includes the date of purchase, registration numbers, warranty information, original cost, and the assets' estimated useful lives.

## 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### Property and equipment, net (continued)

Gains and losses on disposals are determined by comparing proceeds with carrying amounts and are included in the statement of income and accumulated funds.

Donated assets and capitalized donated leases are recorded at their estimated values at the date of donation.

Depreciation and amortization are computed on a straight-line basis using the assets' estimated useful lives as follows:

|                            | Years         |
|----------------------------|---------------|
| Buildings and improvements | 12 - 30 years |
| Motor vehicles             | 2 - 6 years   |

When assets are retired or otherwise disposed of, the costs and related accumulated depreciation are removed from the accounts and any resulting gain or loss is credited or charged to the statement of income and accumulated funds.

### Impairment of non-financial assets

An assessment is made at each reporting date to determine whether there is any indication of impairment of any assets. If any such indication exists, the asset's recoverable amount is estimated. An asset's recoverable amount is computed as the higher of the asset's value in use or its net selling price.

An impairment loss is recognized only if the carrying amount of an asset exceeds its recoverable amount. An impairment loss is charged to operations in the period in which it arises unless the asset is carried at a revalued amount in which case the impairment is charged to the revaluation increment of the said asset.

A previously recognized impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount of an asset, however, not to an amount higher than the carrying amount that would have been determined (net of any depreciation).

A reversal of an impairment loss is credited to the statement of income and accumulated funds.

### Funds held for third parties

Funds received in a custodial capacity for third parties are recorded as liabilities. The disbursement of these funds is recorded as a reduction in these liabilities.

### Accounts payable and accrued expenses

Accounts payable and accrued expenses are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

## 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### **Restricted funds**

Restricted funds are donations and gifts received by the Foundation upon which the donors have imposed restrictions on their expenditure. The receipt and expenditure of restricted funds are reported in the statement of income and accumulated funds except for the expenditure of restricted funds to purchase capital assets. The receipt of such funds is reported as income and once the capital assets are acquired an amount equal to the cost of the capital assets is transferred from the Accumulated Funds-Restricted to the Accumulated Fund-Unrestricted.

### **Unrestricted fund**

The Unrestricted fund comprises donations and gifts upon which the donors have not imposed any restrictions on their expenditure. The Accumulated Fund-Unrestricted comprises the surplus of unrestricted income over expenses and restricted funds received for the purchase of capital assets that have been acquired.

### **Income**

Income arises mainly from donations and restricted gifts. Income is recognized to the extent that it is probable that the economic benefits will flow to the Foundation and the income can be reliably measured. The following specific recognition criteria must also be met before income is recognized.

#### ***Donations, gifts and grants***

Donations, gifts and grants are recorded as income upon receipt or when receipt is reasonably determined. Donations and grants with performance-related conditions are recorded as income upon receipt and when receipt is reasonably determined and when the performance-related conditions are met.

#### ***Social purpose activities***

These are expenditures incurred in one of the five foundational program areas of the Foundation. Expenses are recorded when incurred throughout the year.

### **Expenses**

Expenses are recognized in the statement of income and accumulated funds upon utilization of the service or at the date of their origin.

#### ***Donation expense***

Donation expenses are recorded upon the cash payment to provide other charitable organizations with monetary sponsorship.

#### ***Other income and expenses***

Other income and expenses are recorded in the statement of income and accumulated funds on the accrual basis.

## 4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### Income Taxes and Value Added Tax

There are no income taxes imposed on the Foundation in the Commonwealth of The Bahamas. The Foundation is subject to valued added tax ("VAT") on all purchases of goods and services.

Effective 1 July 2023, the Government of The Commonwealth of The Bahamas repealed the Business Licence Act, 2010, and its related amendments and regulations with the Business Licence Act, 2023, and the Business Licence Regulations, 2023 ("the BL Act and Regulations"). Accordingly, all businesses, with turnover of over \$250,000, as defined by the BL Act and Regulations, require submission statement of turnover and related business licence return for the calendar year ended 31 December. The Foundation, as a non-profit entity in the Bahamas, is exempt from payment of annual business licence taxes.

### Related party transactions

Transactions between related parties are based on terms similar to those offered to nonrelated parties. Parties are related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions and the parties are subject to common control or common significant influence.

### Post-reporting date events

Post-reporting date events that provide additional information about the Foundation's position at the reporting date (adjusting event) are reflected in the financial statements. Post-reporting date events that are not adjusting events, if any, are disclosed when material to the financial statements.

## 5. CASH AND CASH EQUIVALENTS

Cash and cash equivalents are comprised of the following:

### 5. CASH AND CASH EQUIVALENTS (continued)

The current account with RBC Royal Bank (Bahamas) Limited is non-interest bearing. The RBC Royal Bank (Bahamas) Limited - fixed deposit is placed as collateral for the Foundation's Visa credit card facility and is non-interest bearing.

The balance of the savings account with RBC Royal Bank (Bahamas) Limited represents funds held for third parties and is therefore not available for the operating activities of the Foundation.

On 30 April 2022, One Eleuthera Cooperative Credit Union Limited ("OECCUL") went into voluntary liquidation. During the year, the Foundation received the balance of its savings account but no interest was earned and received during 2024 and 2023. See Note 7 for the disposition of the Foundation's other investments in OECCUL.

## 10. DONATIONS, GIFTS AND GRANTS - RESTRICTED FUNDS (continued)

### Templeton World Charity Foundation

The Templeton World Charity Foundation is a grant that enables the Foundation to develop a Nonprofit Accelerator program, which aims to strengthen Bahamian nonprofit organizations (“NPOs”) to drive sustainable social change in the third sector. Leveraging existing infrastructure, the Program seeks to enhance the operational efficiency, strategic planning, and crisis response capabilities of NPOs. The NPOs will benefit from vital training, resources, and fiscal sponsorship, allowing them to focus on their missions and expand their impact. In return, beneficiaries commit to best practices, active participation in training, and collaborative engagement with other NPOs. For the year ended 30 June 2024, the Foundation received grants totaling \$99,990 from the Templeton World Charity Foundation, which \$17,417 was used to reimburse the Foundation for its cost in administering the program.

Health and wellness donations received are as follows:

|                                | 2024   | 2023   |
|--------------------------------|--------|--------|

As at 30 June 2024, the amount due from CTI of \$20,077 (2023: \$14,600) comprised of expenses of CTI paid by the Foundation and are fully collectible.

The Foundation's due to related party pertains to the donations and grants received from OEF-US specifically for CTI that had not been passed through at the balance sheet date.

During the year, the Foundation provided short-term interest free advances for a total of \$150,000 (2023: Nil), which were settled within the same month the advances were granted.

The Foundation is a founding member of OECCUL, and a director of the Foundation also serves as a director of OECCUL.

On 30 June 2023, the Foundation concluded an agreement with its Founding President and CEO for payments post cessation of services on that date. The payments comprised an ex-gratia payment of \$92,281 to be paid in three equal monthly installments; continuation of his medical insurance plan to 30 June 2024 valued at \$10,851; and gifting of the motor vehicle he used with a book value of \$18,639. The transfer of the motor vehicle was executed during the year and together with the medical insurance premiums were recorded as post-retirement compensation during the year.

### Cotton Bay Fund for South Eleuthera

Cotton Bay Fund for South Eleuthera (“CBFSE”), an unincorporated entity, is the successor organization to the Cotton Bay Fund (“CBF”) that was dissolved in 2016. Prior to its dissolution, CBF nominated the Foundation to receive funds, and make payments to and for the betterment of the residents of South Eleuthera. CBFSE was established as a donor-designated fund. Certain directors of the Foundation serve on the Review Committee of CBFSE that determines who receives grants and scholarships.

## 14. POST-REPORTING DATE EVENTS

The Foundation evaluated the impact of all post-reporting date events from 1 July 2024 to 27 September 2024, the date of authorization of these financial statements for issuance.

There were no adjusting or non-adjusting events that needed to be discussed or reflected in the financial statements.
